Dear Parents/Carers

The Harvey Primary School Board has endorsed the following schedule of contributions and charges for 2024, which will enable families to calculate and plan for all costs that may be incurred during the year.

The amount requested has been set at \$60 per student, with concessions offered to families with two or more children attending our school. These funds will be directed to the curriculum as follows:

STEM/Digital Technology	10.00
Physical Education/Health	10.00

2. Charges

The estimate of charges is for participation in a number of optional school activities. You will only incur these costs if you choose to have your child participate in these activities.

[Payment for each activity will be requested at the time of the event/activity occurring.](#)

Costs have been kept to a minimum and the amounts listed on the schedule are the **maximum** amounts that can be charged per child for each activity. Actual costs could well be less. *(Please see schedule on reverse)*

3. Items for Personal Use (*Booklist items*)

Your child will need to have all the booklist items in their possession each school day in order to maximise their participation in the classroom learning programs. Some items such as pens/pencils may need to be replaced during the year.

Campion Education are coordinating our booklists but you can purchase from any other supplier if you wish.

4. P&C Membership

Membership to the P&C Association is \$1.00 per member which entitles you to voting rights at meetings.
